The Product Verification Form does not replace the organic certificate. QCS issues separate organic certificates for NOP, EC 889/2008 & 834/2007 and CGSB Production System. This document is provided to describe the certified products and is valid only with the corresponding organic certificate(s).

* Under the NOP, organic certification, once granted does not expire and remains good until the certification is surrendered, suspended or revoked.

* Under EC 889/2008 & 834/2007 organic certification expires on an annual basis.

* Under the Canadian General Standards Board Production System, organic certification is valid until the results of the next annual evaluation are known and a new decision is rendered.
